

Ancient Egypt Project

Dear Class 5,

In this project you are to choose something about Ancient Egypt that interests you. For example:

- How the pyramids were built
- The life of a Pharaoh
- Hieroglyphs
- An ancient Egyptian story
- Life on an ancient Egyptian farm or in a city

Find out as much about the topic as you can from books you have at home or the local library. Online resources can be used as well (with parent supervision). Think of a way to present your chosen topic. For example, as a:

- A model
- A poster
- A poem
- A mask
- A story with illustrations

Every student will work on their own project and will present it at the end of this Main Lesson (In an online format), and when we return to school – for the whole class.

Look forward to seeing them when they are completed!
