Supplies List

- Craft bag
- Needle
- 8 pins
- Felt

Keeping our Handcraft Safe and Clean

- Please make sure that you keep your craft bag in a **safe** place and just like our lessons keep all your materials safe in your craft bag.
- Make sure you tuck your needle into your work, I will need the needle back.
- Before you start working please wash your hands, the aida cloth can be damaged very easily.

Verse to begin

Like at school, if you would like you can say the verse before starting the lesson:

*“I think about the world
I hold it in my Heart
My hands I use for work
May these three play their part”*

Step 1:

Using some paper scissors, very carefully cut out along the outlines.

Step 2:

Using the pins, pin the paper onto the felt and if you find it easier you can use a grey lead or fabric pen to mark the outline. Very carefully cut out the pattern and make sure you place every piece into your craft bag nice and flat.

If home learning is extended, I will have the next step ready for next week. Happy cutting!

Verse to finish

*“Bless my work so beauty stands
In all that I make with my hands
Bless my hands that all they do
May be beautiful strong good and true
Now I put my work away and let it sleep to my next day”*
